

Louise Burge – Independent Candidate for Farrer

Giving Farrer a Future

MEDIA RELEASE

LOUISE BURGE LAUNCHES CAMPAIGN WEBPAGE

Independent candidate for Farrer Louise Burge has launched her campaign website to ensure constituents know the most up to date information on her campaign.

The website **www.louiseburge.com.au** is now active and members of the public can browse the pages to read the latest media releases, campaign information, calendar of events, and lodge their support for Mrs Burge.

The launch of the website coincides with the official launch of Mrs Burge's campaign to win the federal seat of Farrer on Monday, August 2, at the Deniliquin Golf Club, Memorial Drive, Deniliquin, between 5.30pm and 7pm.

“It is fantastic to have the website up and running so people can follow the campaign and lodge their support,” Mrs Burge said.

“And we would welcome supporters to the launch of the campaign at the Deniliquin Golf Club, on Monday night.

“It is an open invitation for people to come along, hear my plans for the electorate and let me know what their issues are.

“I am determined to get a good result for Farrer at this election and we can have a change and make sure it has good representation in Canberra on the issues which are important to the electorate.

“It is time Farrer had a better deal in terms of policy decisions and infrastructure funding for all of its assets – roads, health, natural resources and everything in between.”
